The 1975 Bulldog

M-F-L Community Schools

Monona, Iowa

*The 1975 Bulldog Staff
Dedicates This Annual to the Memory of
Donna Mueller*

To visualize Donna Mueller is to see her surrounded by little children. She began teaching Grades 1 and 2 at Luana in 1952 and for 8 years taught 1st Grade there. In 1962 she combined teaching of Kindergarten and Elementary Art. She continued as a substitute and part-time Elementary Art teacher until the fall of 1974 when she came to the Monona center as Kindergarten teacher.

She became ill shortly after the beginning of school but returned after surgery to work part time, alternating days with Harriet Plaehn, and later to resume full time teaching. She died quite unexpectedly on December 10, 1974. She will be missed by her husband, Henry Jr., their two children, and her many students and and fellow-workers.

Many of the Seniors remember also Dwight Cowell who started to school with them in Luana. He died of Leukemia while in the Third Grade and would have been a member of this year's graduating class.

The Senior Class officers cross off one more day! They are Deb Henkes, Treasurer; Lynn Meyer, Secretary; Cindy Kurdelmeyer, Student Council; LeAndra Landt, President; John Lee, Vice President; and Mike Reardon, Student Council.

TV Can Be Educational

The educational TV was installed during the summer of 1974. It was installed by Triangle and Telmer Olson. The total cost was \$10,000; of which the school paid \$7000 and the federal government paid \$3800.

Mr. Begalske and Mr. Swanson were the faculty in charge of the TV. Bob Roys and Rich Ehlers were the student technicians. The TV was used to tape sporting events for playback later, at open house and to tape various TV programs for classroom use.

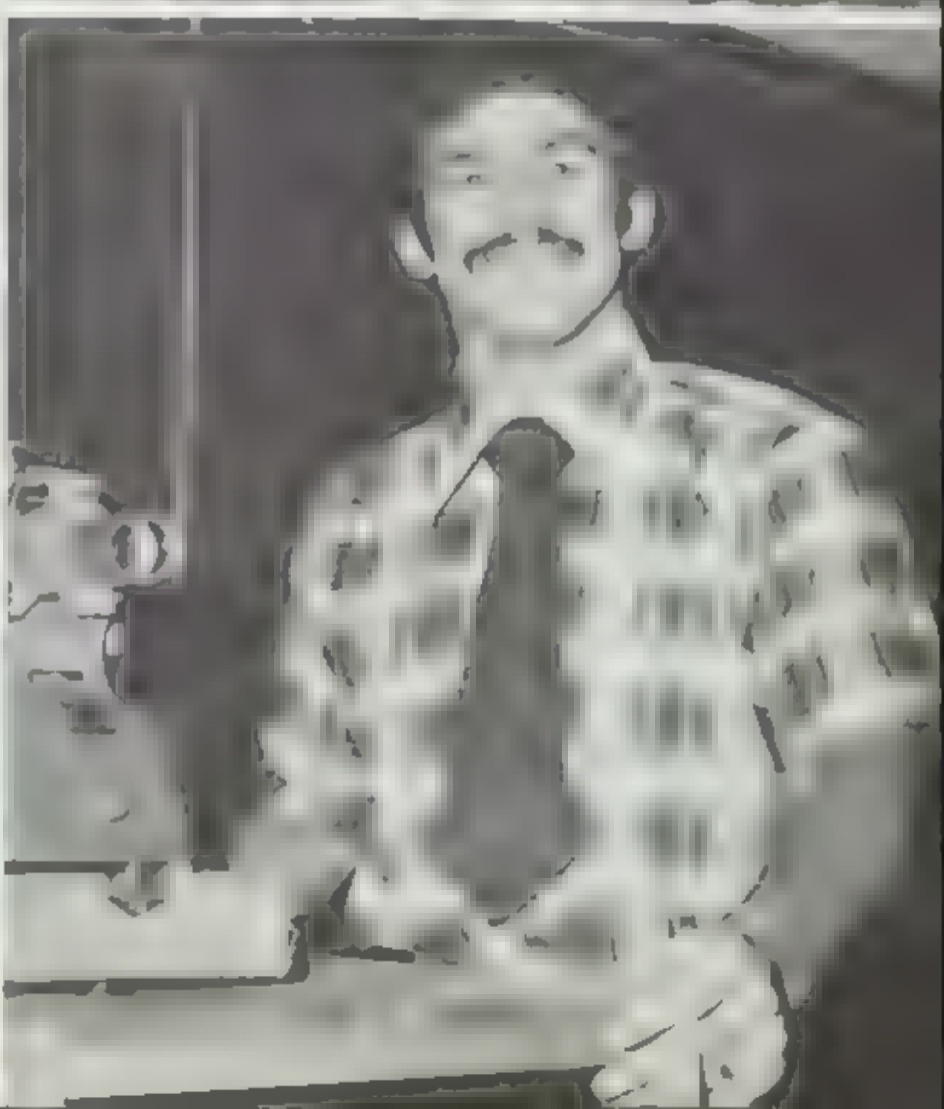

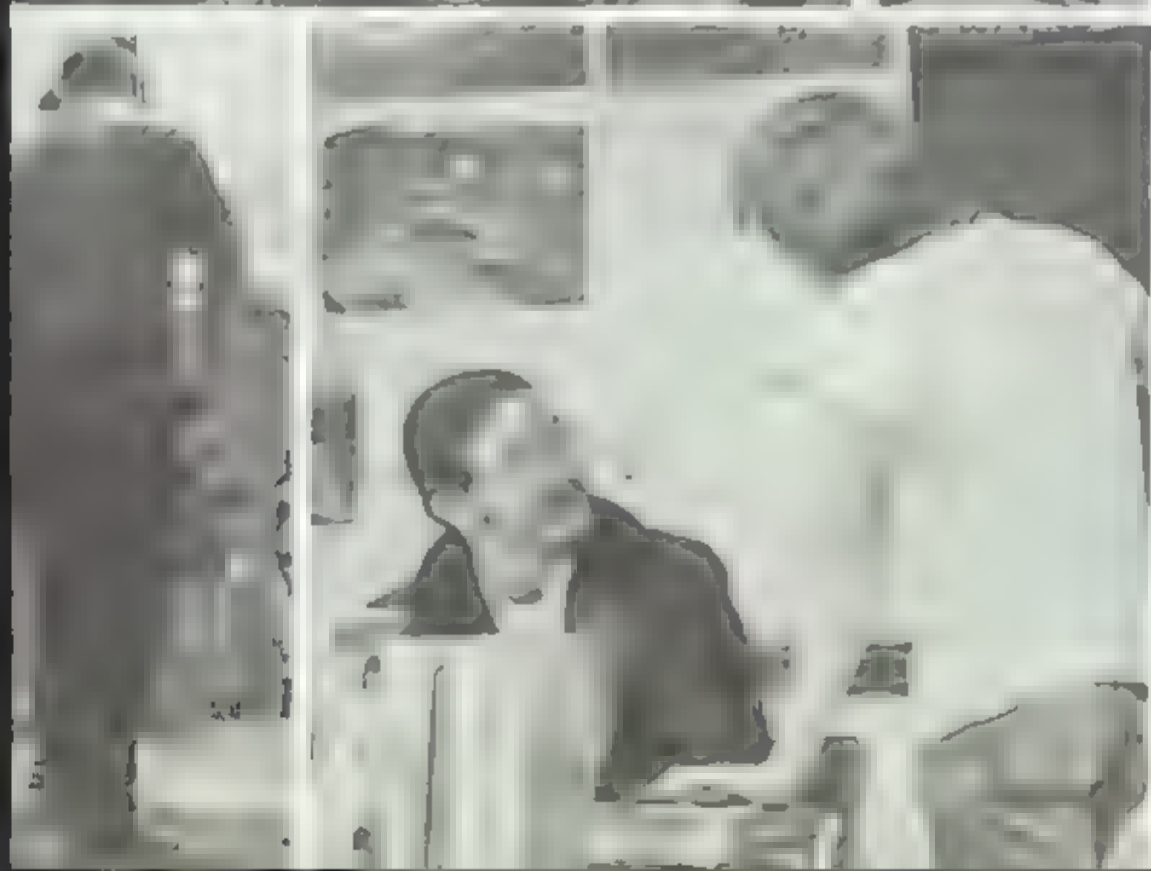

Jerry Conway explains the use of the TV camera and recording equipment.

New Things at M-F-L

Self-awareness was instituted in grades 9-11. It was designed to help the students decide what their vocation should be, and try to help the students discover their feelings about themselves and others. The groups met at 8:30 on Thursday mornings. The sessions lasted until 8:55. The seniors had class meetings during the time allotted for self-awareness.

In the session pictured, the groups were to put puzzles together without talking. This session showed that one person became the leader and the others followed him or her.

Mr. James, coordinator of Self-awareness, meets with teachers before school to discuss past and future meetings.

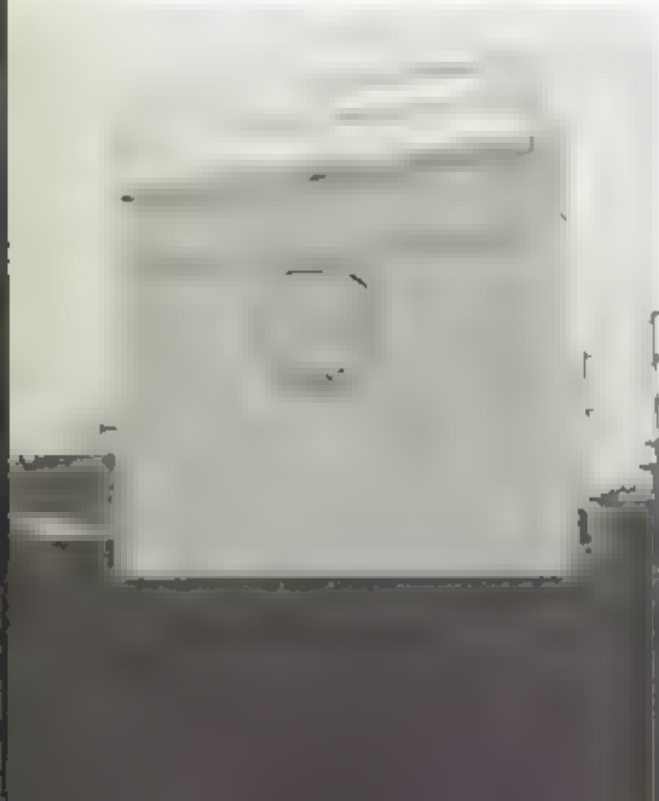

High school parent-teacher conferences were new this year and a big success. They were held Wednesday, March 26, starting at 2:30 and running through Thursday March 27, until all scheduled came. The parents picked up their child's report card and list of teachers from one of the child's teachers. They then went to each teacher who marked the report card with his or her grade, and talked with the parents. Due to bad weather on Thursday, additional conferences were held Tuesday, April 8, beginning at 2 p.m.

Mrs. Cletus Hagensick talks with Mrs. James.

Class officer elections were held differently this year. Instead of the usual class meeting-verbal nominations, students wishing to run for office had to submit their names, personally, to their class secretary by April 18. Campaigning was held during the week of April 25-May 2. Elections were held May 6, first-fifth periods, and May 7, fourth and fifth periods.

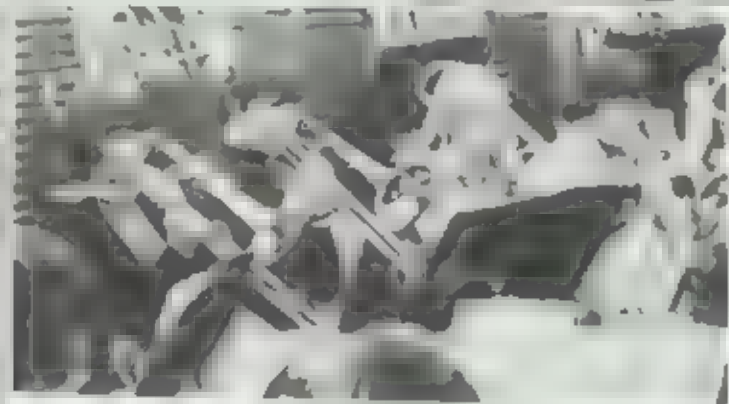

Tracey Russer and Tom Schultz help with balloting during the elections.

"Fire? You're kidding?" was the general reaction at 8:25 February 18 when the fire alarm sounded. But, due to fire drill training, students and faculty automatically left the building. The fire was confined to the concessions stand in the lobby. It was believed to have been started by a short in the pop cooler.

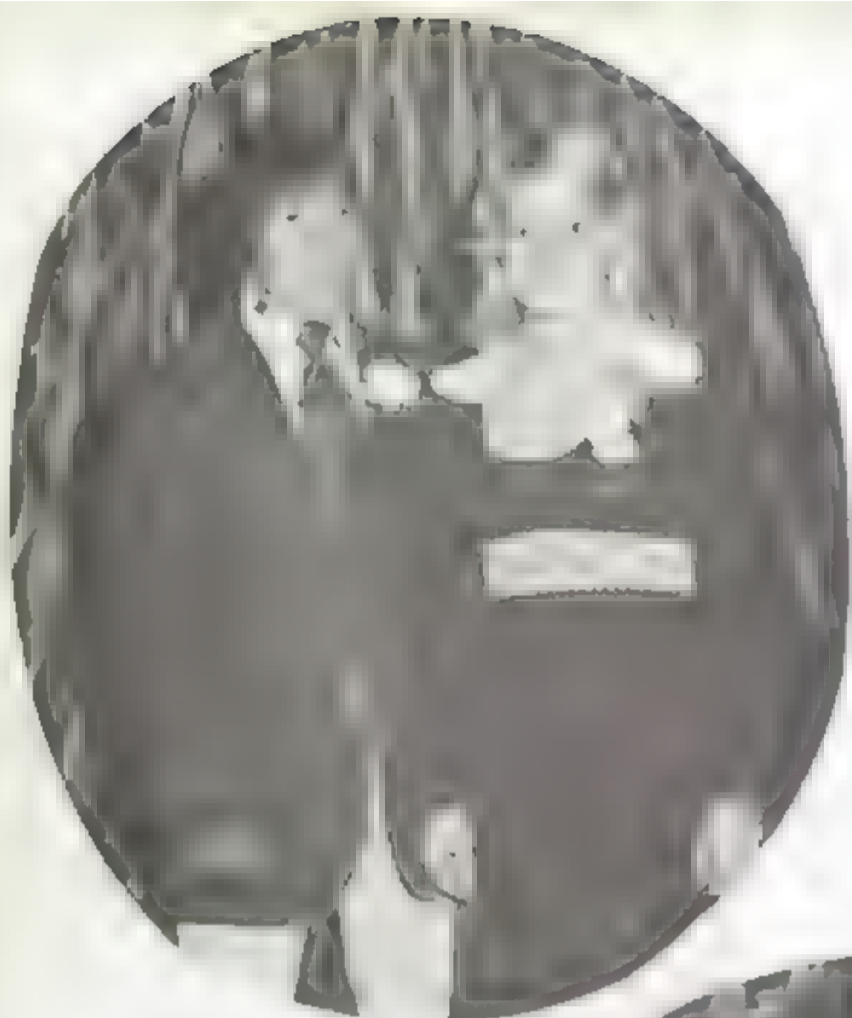

The Senior Class of 1974 gave the money used to build the press box. It was built by the FFA and is welcomed by those working at football games and track meets.

Fabulous Fifties Relived During Homecoming Week

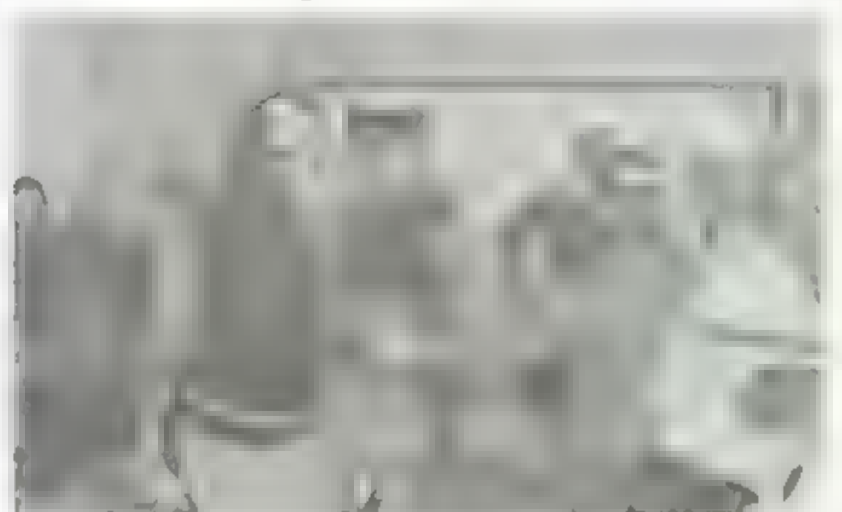

Homecoming week was more than just Fifties Day. Spirit cakes, now an annual tradition, were sold again Tuesday. Wednesday was Inside-out Day. Thursday was Grub Day and some guys dressed in girl's clothing. The bonfire was held on Thursday evening. Friday was Dress-up Day and LeAndra was crowned queen at the afternoon Pep Rally. The football game against Central was played under rainy and windy conditions. We lost, but the evening was turned into success when LeAndra crowned John as King.

There was even a dance in the music room during fourth period.

Swingin' with the sounds.

At a first glance, the obvious way to find $\mathcal{P}(\mathbf{x})$ is to find $\mathcal{P}(\mathbf{x}^*)$ for $\mathbf{x}^* \in \mathcal{X}$ and then to find $\mathcal{P}(\mathbf{x})$ for $\mathbf{x} \in \mathcal{X}$.

South Pacific

November 1-2, 1974 A.N. Busse Auditorium

Directed by Dave Hoppe and Fremont Ogle

Bloody Mary and her assistant harangue servicemen during practice.

How the end of the Becque family, with children, Jerome, Tom Schmitz and Ngana, Kim Winkler.

South Pacific is a romantic musical dealing with the daily lives of four main characters during WW II. One is Nurse Nellie Forbush, who joined the services so she could see the world. While she is overseas, she becomes romantically involved with Emile de Becque, a French planter. Lt. Joseph Cable of the Marine Corps is also assigned to the South Pacific Islands. While on shore, he meets Bloody Mary, a very outspoken native of the islands. She is a matchmaker and brings her daughter, Liat and Cable together. Cable goes on a mission and is killed, but Nurse Forbush and Emile de Becque remain happily together. Music also plays a very important part in this story. There were very many beautiful songs to help tell the South Pacific story.

Captain Brackett, played by Warren Mueller, and Commdr. Harbison, played by Kent Henning, are discussing war tactics.

Murals painted last year were connected by silhouette of men marching along the wall. Lonnie Betts paints silhouette. Seniors Deb Thompson and Ruth Echard stand by their murals. The art class in action, below.

Winnie, the Pooh, arrived in Monona on April 25-26, 1975. This was a Children's Theatre Performance by speech students under the direction of Dave Hoppe. This was a story of Pooh Bear and all his animal friends and one adventure in particular, with Kanga and Roo, two strange new animals who came to the forest. It took hours of work for the actors to prepare this play for presentation especially to the grade school children. It was a nice reward for the actors to have the children react so enthusiastically to the play.
